

Dear Carson, Olivia & Fischer,

THEY'RE BACK! Once again, this year, I am sending my Magic Elves: *Giggles Twinklewink, Freckles Mincemeat, and Dimples Tumblefluff* to stay with you until Christmas Eve. I will collect them when I make my deliveries. On Christmas Eve be sure their passports are ready and each elf is tucked safely in the sleigh. Leave the sleigh beneath the Christmas tree.

Elves will arrive: **December 10 (time unknown)**

I have set the GPS for a landing in your front or back yard. Parachutes have been included in the sleigh just in case of a crash landing. Elves aren't the best sleigh drivers.

As you know, my elves have a very important job and that is to make sure that all of you are good. Any ugly behavior or acts of naughtiness will be noted and placed in your elf's mailbox. If you do something extra kind or helpful, that will be noted as well and your Magic Elf will let me know by Elf mail. I am hoping for very good reports. This year, Giggles will be taking notes on how many nights Olivia sleeps without her blankie. And, Fischer, Santa is sure hoping that your pacie will be left in the sleigh with your magic elf. If I find it in the sleigh, I promise to leave something extra under the tree for you! Carson, I want a good report from Mrs. Phifer about your schoolwork and classroom behavior. I have been receiving reports that you are doing well, so keep up the good work.

You will remember my Magic Elves are sometimes mischievous. If you catch them making any Elf mischief please record it and place it in their Elf Mailbox. Make sure Mommy or Daddy review the rules of Elf protocol listed on the next page. Carson is getting better at his reading, so maybe he can the read the rules to everyone this year.

I hope you have a wonderful time with Giggles, Freckles, and Dimples and that they give me a good report!

Love,

Santa Claus
